Message from Vice-Chancellor

Cluster University Srinagar (CUS) has been established under “The Srinagar and Jammu Cluster Universities Act, 2016” with the infrastructure development funded through the Rashtriya Uchchattar Shiksha Abhiyan (RUSA) scheme of the Ministry of Human Resource Development. The vision of the University is to become a cluster of vibrant Institutions to disseminate and advance knowledge by providing instructional and research facilities in disciplines of Arts and Humanities, Social Sciences, Natural Sciences and Engineering and Technology. The CUS has been created by pooling the resources of five existing colleges of Amar Singh College; Sri Pratap College; Govt. College for Women, M. A. Road; AAA Memorial Degree College, Bemina and Institute of Advanced Studies in Education. These five constituent colleges of the Cluster University have adequate academic, physical and technical infrastructural facilities and the mission of CUS is to lead these colleges to the advanced schools of learning.

CUS is an autonomous University with its own Act and Statues and has been recognised by the University Grants Commission (UGC) under the Act 1956. During this academic session, CUS is offering Post-graduate, 5-year Integrated, Honor’s and general under-graduate programmes. The Post-graduate courses are being offered in subjects of: Botany, Chemistry, Commerce, Environmental Science, Arabic, Physics and Zoology. The 5-year integrated programme is being offered in 15 subjects of: Bio-chemistry, Botany, Business Administration, Chemistry, Commerce, Computer Applications, Economics, English, Env. Science, Geography, History, Information Technology, Physics, Political Science and Zoology. These are very special courses with the first 3-years having Honor’s curriculum and the student has the option to “Exit” the course after completion of three years with the bachelor’s degree in the concerned subject. The University is also offering regular B.Sc, B.A., B.Com courses in the constituent colleges.

The curriculum of the CUS schools is developed in coordination with the industry and other stakeholders. In the words of Albert Einstein “Education is not the learning of facts, but the training of minds to think”. At CUS, we have introduced a multi-dimensional assessment system that includes seminars, group discussions, field survey etc. This will widen the intellectual horizons of the students. CUS shall also have a complete transparency in the evaluation process and student has vested right to contest the assessments.

The constituent campuses of CUS have glorious past and have immensely contributed to the intellectual growth of the people of the State. The faculty of the constituent colleges is highly skilled with many of them having advanced doctorate and post-doctorate degrees. I welcome all the aspiring students to our University. I am sure that you will find our campuses intellectually stimulating and have a wonderful learning experience with us.

Prof. Sheikh Javaid Ahmad

Cluster University Srinagar

Cluster University Srinagar is a collegiate State University located in Srinagar. It is a cluster of five colleges of the Srinagar city. It has been established under “The Srinagar and Jammu Cluster Universities Act 2016” together with Cluster University of Jammu and is an initiative of the centrally sponsored scheme “Rashtriya Uchattar Shiksha Abhiyan (RUSA)” to create new Universities through up-gradation of the existing colleges.

Mission of University

- To become a cluster of vibrant institutions to disseminate and advance knowledge by providing instructional and research facilities in all branches of learning.
- To act as a change agent by having special focus on the skill development and creation of skilled workforce by undertaking industry-oriented teaching, training and research, extension programmes and providing employable skills with a view to contribute to the development of the society.
- To make provisions for integrated courses in humanities, social science, science and technology in its education programme.
- To take appropriate measure for promoting innovations in teaching-learning process and inter disciplinary studies and research.
- To establish linkages with industry for promotion of science, technology, entrepreneurial skills, innovation, etc. and adopt innovative methods to achieve the status of a self-reliant institution
- To pay special attention to the improvement of the social and economic conditions and welfare of people and their intellectual, academic and cultural development.

ADMISSION PROCEDURE

- Candidates are required to fill-up online application form available on the University website www.cusrinagar.edu.in. Candidates who have any deficiency such as re-checking, re-valuation, late results (in case of CBSE students) or have a gap of one or more years shall also have to fill-up the online Application form available and submit it manually in the office of the Cluster University.
- Candidates should read and follow the instructions, available on the website carefully before filling-up the relevant fields/columns of the application form.
- A candidate has to deposit Rs.100 as registration fee and Rs.400 for General Aptitude Test. In addition, a candidate has to pay a fee of Rs.400 for each subject specific Entrance Test.
- A candidate can apply for more than one programme, if eligible as per admission norms, by making extra payment of Rs.400/ per programme.
- All programmes are full-time regular courses for the specified duration. However, "Exit" option is available for students admitted in the Integrated 5-year programmes after completion of three years as per University Statutes / University Grants Commission (UGC) regulations.
- In subjects where both 5-year Integrated and Honor's programmes are offered by the University, there shall be a common Entrance Test and the selection shall be based on Merit and Preferences of the candidate.

SELECTION PROCEDURE FOR PROFESSIONAL, INTEGRATED AND HONOR'S COURSES

For Integrated 5-year PG and 3-year Honor's Programmes, selection shall be on the basis of the merit obtained in the screening test comprising of two question papers of 50 marks each.

- i. Common Aptitude Test : 50 marks
 - ii. Subject specific paper(syllabus 11th and 12th JK BOSE) : 50 marks
1. Common Aptitude shall have 50 multiple-choice type questions comprising of General English (20 questions); General Reasoning (20 questions) and Mathematics (10 questions).
 2. Subject specific paper shall also have 50 multiple-choice type questions.
 3. A copy of the syllabus of the subject specific paper can be downloaded from JK BOSE or from website of Cluster University Srinagar www.cusrinagar.edu.in
 4. Intake capacity for all 5-year Integrated programmes is 30 (Merit basis) + 10 (Self-financed).
 5. Intake capacity for all the Honor's programme is 40.
 6. In case of candidates with discrepancies such as a) Re-evaluation/Rechecking b) CBSE students, the admission will be purely provisional in nature and shall have to forfeit their seats in case they fail to pass their 10+2 class with the qualifying percentage of marks up to and including May 31, 2018.
 7. Reservation policy shall be followed as per University/State Government rules and regulations.

SELECTION PROCEDURE FOR POSTGRADUATE COURSES

Selection will be based on entrance test.

SELECTION PROCEDURE FOR UNDERGRADUATE COURSES

For Under-Graduate Programmes, selection shall be on the basis of the merit at 10+2 level.

Syllabi and Examination Reforms

1. Syllabi and curriculum of all the programmes has been devised in light of the curriculum recommended by the UGC and adopted by reputed institutions of the country.
2. Clarity with regard to the adoption of Choice Based Credit System for all Programmes of the University has been ensured by sensitising the concerned teachers through a series of meetings and presentations.
3. Reforms in the process of evaluation has been introduced by giving considerable weightage to Continuous Assessment, Class Level Evaluation and by incorporating problem solving as a component of the question papers.

Sri-Pratap College (School of Sciences)

S.P. College, the oldest and premier institute of higher education in Kashmir embodies a history of 112 years of its glorious past. It was established in 1905, as an intermediate college by upgrading the famous Hindu High School, Srinagar. It was the personal effort of notable British Social Reformer and Educationist, Dr. Annie Besant who directed the Central Hindu College Trust, Banaras (to which it was affiliated) to appoint, Mr. M.U. Moore, a noted Irish scholar as the first Principal of the Institution. Beginning with a modest roll of eight students and only six teachers on its staff, in a few years' time, the college rose to the degree level in Arts by 1911 when State Government took it over and renamed it as Sri Pratap College after the name of the then ruler of the state Maharaja Pratap Singh. In 1912 the college got affiliated to the Punjab University, Lahore 1947. The college affiliated to the newly established University of Jammu & Kashmir which remained till 1969. Subsequently when the University of Kashmir came in to existence in 1969 the Institution got affiliated to the said University for all science and arts courses. A major event in the history of the Institution was the delinking of arts programmes in 1975 from thence the college became exclusive Science Institution. When in 2017 Cluster University Srinagar (CUS) was established Under RUSA, the college became affiliated to the university as one of the constituent college designated as School of Sciences.

The first NAAC cycle was completed in 2004 with college earning grade B⁺⁺ on a seven point scale. Subsequently the college achieved the distinction of earning grade A in the second cycle of NAAC in 2017. The history of S.P. College is in fact, the history of progress of higher education in Kashmir. Almost for the first half of the 20th century, S.P. College had the distinction of being, the only institution to provide facilities for imparting higher education in Arts and Science disciplines in the valley. Despite a good number of colleges coming into existence in the valley after 1947, this college continues to maintain its primacy and academic excellence in higher education. Besides the academic infrastructure, the College has a number of facilities for both staff and students. Among them a fully

functional Health Care Centre with weekly deputation of doctors from Health Department Government of J&K. In addition the college has hostel facility for two hundred students, a sprawling field for outdoor sports like football, cricket volleyball etc., a 12 station gym, multiple units of NCC and NSS and a huge library block with browsing centre inside for the benefit of students and the staff.

The College has very rich alumina including Dr. Karan Singh Ex Sadr Riyasat, Chief Ministers of J&K state Sh. Sheikh Mohammad Abdullah, G.M. Sadiq, Dr. Farooq Abdullah, Mufti Mohammad Sayeed, OP Malhotra(Retd)chief of Army Staff; Governor Punjab, Dr. Asgar Samoon (IAS) etc.

AMAR SINGH COLLEGE, SRINAGAR **(School of Humanities and Liberal Arts)**

Profile:

Amar Singh College Srinagar is a premier Post-Graduate college of the state, a Nodal College and a Constituent Lead College of the Cluster University Srinagar established under J&K State Act- III of 2016. This college holds a distinguished position as the second oldest college in the Kashmir Valley after S.P College. It started first in November 1913 as Amar Singh Technical Institute to teach students art, culture and basic skills like masonry, carpentry etc. and was formally inaugurated by Maharaja Pratap Singh on 29th May 1914. The Technical Institute was converted into Amar Singh College in June 1942. The college embarked upon a programme of diversification in a planned and systematic manner and journeyed towards excellence. The academic journey of the college took off in 1942 with just two streams - Non-Medical and Arts besides having the distinction of conducting PG classes in English and Economics in the late forties, Prior to establishment of Kashmir University. Since then, the institution has made tremendous strides in terms of the variety of subjects and courses it offers. The college is located near Bakshi Stadium with Gogji Bagh to its East, Ram Bagh to its West, Iqbal Park to its North and Tulsi

Bagh on its Southern side and is spread over 35 hectares (145553m²) of land which constitutes an infrastructure of buildings amounting to a total built-up area of about 30000m² including a large playground, parks, and gardens.

As part of the commitment towards quality education and research, the college organizes and hosts a number of Seminars, Workshops and Conferences every year, which helps in keeping the faculty members and students abreast with the recent trends in various subjects besides enriching the campus life for one and all.

The college, in line with the academic endeavours, takes a lead in the extra-curricular activities too. A number of sports events are hosted by the college every year. It thereby acts as a platform for students who want to showcase their talents in such activities. In addition to this, the college has highly functional NSS and NCC wings which contribute to the local and the overall state ethos. Ranging from the Swacha Bharat Abhiyan to the Republic Day Parade, the college portrays its talent in full zeal.

The college has produced a galaxy of intellectuals and scholars who have contributed at the local and global levels as well. Famous Alumni of the college include Major General Mohammed Amin Naik, (Chief Engineer, Central Army Command, and first Kashmiri Muslim General in the Indian Army), Prof. Amitabh Mattoo (Noted Academician and Advisor to Hon'ble Chief Minister), Dr. Krishan Kumar (Chief technologist, NASA), Mr. M. Iqbal Khanday (Chief Secretary, J&K Govt.), Mr. Sofi Gh. Rasool (Chief Information Commissioner, J&K Govt.) and Dr. Adarsh Sen Anand (Former First Chief Justice of Supreme Court).

Some Activities

Prime Minister's Special Scholarship Scheme (PMSSS) **(30th June -6th July 2017 and 18th July-21 July, 2017)**

Amar Singh College coordinated the entire process of Prime Minister's Special Scholarship Scheme (PMSSS), including counselling, grievance redressal, outreach programs to the various parts of the valley and a awareness workshop at Kargil and Leh. All the faculty members of the Computer Sciences and other disciplines actively participated in the counselling and awareness process.

Interaction with AICTE officers/students

Students receiving Allotment letters

Two Day Workshop on Communication Skills in English (14th -15th Nov. 2017):

A “Two Day Workshop on Communication Skills in English” was organised by the Department of English from 14th -15th Nov. 2017. The workshop was aimed at addressing the various problems faced by undergraduate students for effective communication in English. The effort of the department and the organising committee in this regard was to provide an amicable ambience, where highly trained resource persons interacted with the students and helped them overcome their inhibitions and problems. The workshop was aimed at bringing about a change.

The Internal Quality Assurance Cell (IQAC), Amar Singh College organised a Two Day National Workshop from 20th-21st Dec 2017 which was aimed at providing an opportunity in identifying the innovative pedagogies to meet the current trends, examine the traditional practices, highlight the learning strategies, as well as the reforms needed in the teaching, learning and evaluation mechanism.

A One-Day Awareness Workshop On Prime Minister’s Special Scholarship Scheme (PMSSS) (24th December 2017)

A One Day Awareness Workshop on Prime Minister’s Special Scholarship Scheme (PMSSS) for the students of J&K was organized by the All India Council for Technical Education (AICTE) in collaboration with the Department of Higher Education, Govt. of J&K on 24th December 2017 at SKICC, Srinagar.

Govt College for Women, M. A. Road, Srinagar (School of Engineering & Technology)

Situated in the heart of capital city Srinagar, Government College for Women, M. A. Road, Srinagar is a premier institution of higher learning for women. Established in 1950 with UGC registration under Sec. 2F and 12 (B) of 1956, the college has played a pivotal role in imparting higher education to women of Jammu and Kashmir and Ladakh. With its glorious past and excellent academic track record, the college is spread over a land area of about 8.4 acres. More than 5000 undergraduates and a good number of post graduate students are on rolls. The rich faculty of about 125 members and over 50 non-teaching employees of the college has been contributing to the overall academic, intellectual and physical development of the students. Besides offering undergraduate courses in Humanities, Social Sciences, Sciences and Home Science, the college is running post-graduate programme in English, integrated MCA, Journalism & Mass Communication, B.A. English (Honors). Furthermore, the college is offering various other subjects at undergraduate level like Industrial Chemistry, Information Technology, Food Science & Technology, Functional English, Clinical Biochemistry, Biotechnology, Computer Applications and Bioinformatics which cater t the needs of latest technological advances. The college runs different IGNOU programmes through the study centre located in it. More than 700 students get benefited through this distant mode of learning. The college has been honoured by the visit of His Excellency president of India, A P J Abdul Kalam in 2003.

The college provides hostel facility to the students of far flung areas, has the distinction of housing Hub of Edu-Sat Network Kashmir. The college has a rich physical and human development infrastructure for overall personality development of the student that includes state of art science laboratories, a language laboratory, gymnasium, multi-purpose hall, sports field, auditorium, conference hall, WIFI enabled campus, career counselling and placement cell, effective grievance redressal cell, NCC and 3 NSS units. Recognising the potential of the college in imparting quality education the college has been re-accredited with Grade A by NAAC in 2012. From the inception, the college has crossed many milestones, fulfilled many promises, and launched many innovative and professional programmes which has not only accelerated its journey towards women empowerment but made women visible in diverse fields and higher positions. The college takes pride in yeoman's service it has been rendering in its glorious history of 67 years.

Abdul Ahad Azad Memorial Degree College Bemina Srinagar (School of Social Sciences)

Abdul Ahad Azad Memorial Degree College, Bemina, Srinagar (Erstwhile Govt. Degree College Bemina, Srinagar) was established in the year 1970 and the college started its academic operations in the year 1972. The college has the distinction of having the largest campus in the state, spread over an area of 283 kanals, which accommodates various blocks viz. physical sciences, bio-sciences, commerce and management studies, general administration, hostel, u-shaped class room block and two big academic blocks, Health Centre, Canteen, library block etc. Starting with an enrolment of a handful of students, the college has grown over the years to a prestigious multi-faculty institution with a student's strength of more than 4500 in the year 2017-18. The institution is recognized by UGC under sections 2(f) and 12(B) and since then it is affiliated to the University of Kashmir Srinagar. The college has become one of the constituent colleges of cluster university of Srinagar that has been established in 2016 with UG, Integrated UG-PG programs and PG programs. The College has a lush green, pollution free and serene environment with large number of plantations, to make it an ideal place for teaching, learning and research activities. The college got Re-accredited by NAAC with grade A in the year 2014. In addition to Srinagar city, the college caters to the academic requirements of students from far flung and frontier areas of the state like Gurez, Tangdar, Kupwara, Bandipora and Kargil.

The College has around hundred faculty members in position and possesses the state of the Art computers labs, browsing centre and various science laboratories. The college has the distinction of successfully running the post-graduate programme in Commerce since 2005 in addition to its Under-graduate programmes in Science, Humanities, Social Sciences, Commerce and Management Studies. The Besides, Curricular, the college conducts numerous Co- Curricular activities viz- Bank coaching classes, certificate course in Computer and Skill development course in Food Production. The NCC, NSS and Women Development Cell of the college is maintaining close relationship with the community highlighting major issues. The college has established Abdul Ahad Azad Memorial Cultural Forum which, in addition to conducting literary programmes is also striving hard to help in maintaining and preserving the rich cultural heritage.

The college publishes its Newsletter, Magazine and also research journal, "Business Milieu". The State Govt. has established a School of Architecture vide Govt. order No: 381/HE of 2016 dated: 21-12-2016 in College has got recognition from Council of Architecture, New Delhi for start-up of 5-Year B. Architecture Degree course in the existing infrastructure of the college. Construction of Common Girls Hostel, Academic Block, Administrative Block etc, is in full swing and the RUSA structures are in the final stage of its completion.

Institute of Advanced Studies in Education Government College of Education, (School of Education)

Institute of Advanced Studies in Education with the Mission of “**Excellence in Teacher Education**” is the Premier Teachers Training Institute in the state of J&K. The Institute made a humble beginning in the year **1937 as Teacher’s Training School** in a small building at Magarmal Bagh, Srinagar. It was upgraded to the status of Teacher’s Training College in the year 1948 and used to offer and used to offer courses of B.T and D.T up to 1956. **In 1956** the college was shifted to the present campus. In 1968, the nomenclature of the college was changed and designated as Govt. College of Education, Srinagar. Again in 2016, the college was upgraded to the status of Institute of Advanced Studies in Education on the recommendations of Ministry of HRD, New Delhi and now the Institute has mandate to conduct research and organise training courses for the faculty of Department of Higher Education as well. As the constituent Institute of the Cluster University, Srinagar, its nomenclature in “**School of Education, Cluster University, Srinagar**”.

The Institute right from its inception has been academic, socio-cultural and intellectual activities: Great Luminaries like **Pt. Jawahar Lal Nehru, Dr. Radha Krishnan, Dr. Abdul Kalam Azad, Sh. V.V. Giri, Sh. Vinoba Bhave, Dr. Zakir Hussain** and eminent personalities from **U.S.A, U.K, China, Iran, Australia, Germany, Sweden, Hungary, Sri Lanka** have visited the institute and interacted with its students and staff.

The institute been administered by educationists of repute and quality training has been the hall mark of this great seat of learning. A landmark achievements of the institute was to introduce M.Ed in the **2004** and M.A. Education **in 2017**.The institute has UGC Recognition under section 2(f) and section 12(b) of UGC Act 1956.

The Institute was assessed by the NAAC Peer Team for the first time in 2004 and accredited with prestigious **Grade “A”** with a score of **87%**. In 2011, the institute was re-accredited by NAAC with **Grade “A”** with improved **GCPA of 3.52 on 4 point scale**.

The IASE presently conducts B.Ed, M.Ed and M.A Education courses and has submitted proposal for starting four year integrated course in B.Sc.Ed which is expected to commence from the session - 2019.

The institute is rich in terms of faculty, which comprises of 25 permanent members and 09 members on contract basis. The Non-Teaching staff is sufficient to support the administrative and supports services. The Institute presently functions under the dynamic Administrators and Academician Prof. (Dr.) Parveen Pandit.

The Institute conducted a host of National/State Level Programmes/Workshop during the year 2017. The Prominent among them are:

- A two day state level seminar on the theme “**Assessment and Evaluation**” was organised on 27th and 28th February, 2017.

- On 8th of March 2017, a two day National Seminar was organised by the women's studies centre of the Institute on the theme “**Creating Space not Sympathy for Women**” in connection with the celebration of international women's day.

- The Institution organised a National Workshop on “**Skill Development and Entrepreneurship with special reference to Natural Fabric Dyeing and Pashmina Weaving**” w.e.f 16th to 21st October, 2017.

- On the **16th of Mar 2017**, a one day international workshop for teacher educators was organised by the **Tony Blair Faith Foundation**, a UK based organisation in education and training in collaboration with IASE.
- AS part of Extension Service Programme, Govt. College of Education (IASE), M.A. Road, Srinagar organised Seven Day Special Teacher Programme for JK Muslim Wakf Board Schools from 27.12.2017 to 04.01.2018 on pro basis (free of cost). The programme was Joint collaboration of host Institution and Wakf Board Kashmir, Prof. (Dr.) Parveen Pandit, the worthy Principal of the host Institution.

The institute of Advanced Studies in Education (IASE) conducted a series of Orientation / Induction Programmes for the newly recruited Assistant Professors of Department of Higher Education, Govt. of J&K.
