NSS Wing of S.P. College Organizes Events for Nasha Mukht Bharat Abhiyan

On 27th November 2024, the NSS wing of Sri Pratap College, Srinagar, organized two impactful events under the banner of **Nasha Mukht Bharat Abhiyan** to raise awareness about the dangers of smoking and drug abuse.

The first segment featured an awareness walk across the college campus. NSS volunteers, along with three program officers, actively participated in this initiative. Students from every department joined in as they were informed about the devastating effects of smoking and substance abuse on individuals, families, and society. The walk created a vibrant atmosphere of learning and responsibility, with participants carrying banners and placards bearing powerful messages advocating for a drug-free life.

The second segment involved a pledge-taking ceremony, where all attendees vowed to stay away from harmful substances and work towards creating a healthier, addiction-free society. The solemn moment underscored the importance of personal commitment and collective action in tackling this pressing issue.
