

Report on Collection of Sacred Water from River Jhelum under “Sardar @150: Jal Sangam to Jan Sangam” .

In connection with the nationwide initiative “*Sardar @150: Jal Sangam to Jan Sangam*” launched by the Ministry of Youth Affairs and Sports, Government of India.

Every one participated with great zeal and patriotic fervour in the sacred mission of collecting holy water from the river Jhelum.

On 27th October 2025, at 10:30 a.m., the visiting officials from the Regional Directorate of NSS, MoYAS, New Delhi, Mr. Manoj Kumar and Mr. Devesh Sajwan along with some students were received at the banks of River Jhelum by the NSS cell of Cluster University Srinagar including volunteers from various constituent colleges. The officials from NSS Cell accompanied the team during the ceremonial collection of sacred water, which was carried out with utmost reverence and a deep sense of national pride.

The event symbolized a unifying tribute to **Sardar Vallabhbhai Patel**, the Iron Man of India, whose vision and determination forged the unity of our nation. The “*Jal Sangam to Jan Sangam*” initiative embodies the essence of national integration—bringing together sacred waters from rivers across India to reflect the strength of unity in diversity.

During the event, the NSS volunteers, carrying the spirit of service and devotion,

actively assisted the visiting team in ensuring smooth coordination and logistics. The atmosphere was charged with patriotism as participants echoed the message of unity, integrity and national pride inspired by Sardar Patel’s enduring legacy. The collected sacred water from the **River Jhelum**, a lifeline of Kashmir, will form part of the nationwide *Jal Sangam*—a symbolic confluence of rivers representing the heart and soul of India.

The programme concluded with heartfelt expressions of gratitude from the visiting officials, who appreciated the active role, coordination and hospitality extended by the NSS team of Cluster University of Srinagar.

Thanks
Cluster University of Srinagar
